How To Earn Points

1) Perfect Practice = 50 points

Perfect practice = 5 days of practice. Parent signature on practice log is required to earn these points.

2) Composer Report = 50 points

You can borrow one of my fun books about composers or research on the internet to answer five simple questions about a composer. See "Composer Report" attachment.

3) Active Listening = 75 points

Each session of 30 minutes earns you 75 points (example: if you listen for 30 minutes between lessons that's 75 points, if you listen for 1 hour between lessons, that's 150 points). Active listening means no loud distractions, no computer games, and no cell phones. You can be listening in the car or while doing a quiet activity with your hands, like drawing or coloring. The music should be either classical music or jazz. QR codes to YouTube lists and Spotify Playlists are attached. I also have CDs you can borrow.

4) Attending Live Performance = 150 points

Attend a live show, bring back the program and tell me about your favorite part of the performance!
